

GOD HAS REAVELED HIS LOVE AND REDEMPTION THROUGH HIS SON

Merry Christmas & Happy New Year!

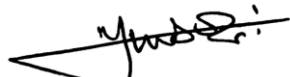

Dear beloved Parishioners and Visitors to the parish,

As we celebrate the birth of Jesus Christ the Lord, our hearts are full of joy and thanksgiving. Indeed, it is a celebration of a great gift of love and grace from God to mankind. In Christ, the Child born in Bethlehem, God has revealed to all people his love and redemption through his Son.

Christ the Lord has come down in our flesh to reconcile and unite us with God the Father and with ourselves as brothers and sisters through his death and resurrection. As we come together to the church to celebrate the Masses of the Nativity of the Lord, let us come with humility and on our knees to worship and adore him as we sing Glory to God in the Highest and Peace on Earth.

As we gather to celebrate and exchange Christmas gifts with family members and friends, let us rejoice in Christ the Prince of Peace and ask him to bless us with genuine love and to enlighten our minds with his divine light. May the Year 2025 become a good time for the whole world.

Please count on my prayers and kind best wishes,

Fr. William D. Oruko, AJ
